In addition all brides will have a pre-wedding bridal trial to finalise the perfect look.

Two individual artists will work simultaneously to ensure the bride gets the desired look for both hair and make-up. Tailored to each bride's requirements to ensure the hours before your wedding are as calming and smooth as possible.

BRIDE ONLY — DUAL ARTIST

A Dual Artist will provide both hair and makeup for the bride. It should be noted that as one artist is providing both hair and make-up, this service requires a longer amount of time per person.

This is ideal when you are requiring hair and make up for your whole bridal party. This may include your bridesmaids, mother of the bride or additional guests.

BRIDAL TRIAL & CONSULTATION

It is crucial that brides see their bridal look and meet their glam team before their big day. Your trial is a chance to discuss looks that you like with your team, go through your wedding day schedule and most importantly, to see your final bridal look!
